We are very, very, impressed by the details you had put into your house. We are very proud of you both after we read what you had gone through toward searching for the finest English made bedding and other materials. We think it's about time that we ~~are~~ all should be proud of our heritage.

The thought's that you had put into your breakfast menu is certainly very very unique in the world! WE ARE EATING EGGS FROM YOUR OWN HEWS!!

The honey also is very impressive, it certainly said a lot about you both that you are genuinely <sup>extremely,</sup> passionate in what you do. WE ARE VERY PROUD OF YOU! We certainly will spread this around among our friends.
